**It's That Time of the year**

**Snow is on the way!!**

**Hi Neighbors,**

**The homeowners association has received the renewal quotation for snow removal.**

**Aikens has sold their business and moved the family to sunny California. They sold to Shear Comfort Landscaping. They have contacted us and have agreed to keep the cost the same as last year- \$13.00/plow. Aikens was always good and I have confidence that Shear Comfort will continue the good service.**

**I have requested that Shear Comfort continue service to the homes serviced in 2009/10.**

**\*\*\*\* If you received snow plowing service contracted last year and DO NOT WISH TO CONTINUE –**

**PLEASE let me know!!!!**

**If you didn't sign up last year and you wish to take advantage of this Great Deal – Please contact me.**
