Neighborhood Maintenance

1. The City of Hudson will repair the overflows on the North and South ponds in the Spring of 2010.
2. The Dept. of Environmental Services has confirmed (in a letter) that the 14 sanitary manholes on Towbridge property have been sealed.

Snowplowing

The HOA Board has obtained a very attractive renewal quotation for snow removal. Aiken's Lawn and Plowing Inc. has agreed to continue service at \$13.00 per plowing for the 2009/2010 season. They did a great job for many residents last year. To make this deal even more attractive, the HOA Board has arranged to have the cost added to your quarterly assessment bill.

Aiken has been instructed to continue service for the homes that participated last year. If you signed-up last year, and do not wish to continue this service – or – if you did not participate last year, and wish to take advantage of this wonderful service, please contact Dave Koslowski ❖5418 Towbridge Drive ❖ 330-656-4300 ❖ Koz4300@windstream.net

Social Night

We will be having a neighborhood social gathering at Marcelitas after the New Year. Date and time to be announced.

Help Wanted

1. We need a new **WEBMASTER** for our neighborhood website. Some web development expertise is needed. If interested please contact Sandy Covault at sandycovault@yahoo.com.
2. Speaking of Sandy Covault, she has moved from Towbridge, and we need a resident to assume her role as **SECRETARY OF THE HOMEOWNERS' ASSOCIATION BOARD**. Responsibilities include recording/filing meeting minutes, along with other miscellaneous tasks. Meetings are held monthly at 7:30PM at the Hudson Library. If interested please contact Dave Gura or Sandy Covault (email address above).
