Safety First

Please remind your children to practice good safety rules when playing outside. Those using bicycles, skate boards, rip sticks, etc. should be careful not to interfere with automobile traffic. Use driveways or cul-de-sacs whenever possible. We have a lot of young drivers in our neighborhood, and visibility isn't great due to curves and hills throughout the neighborhood. Let's work together to keep everyone safe.

Boo!

Towbridge will observe Trick-or-Treat on Sunday October 31st from 6:00-8:00pm. Please turn on your porch lights if you're planning to participate.

Social Night

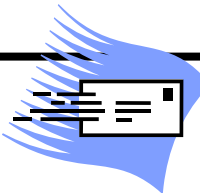

A neighborhood social is planned for Saturday, Nov 6th at 7:00pm at Old Whedon Grille. The upstairs room has been reserved for us. The Association is providing a variety of appetizers, and there will be servers available, if you'd like to order drinks or meals. There will also be live music downstairs that night. See you there!

Election of Officers

Officers will be elected at the neighborhood Board meeting on November 17th. Please plan to be at the meeting if you're interested in holding an office.

Communications

The email communications have been serving the neighborhood well in relaying information in a timely manner. Thank you to everyone who shared information during the recent power/water outage. If you need to update your email address, please send a message to secretary@towbridge.org
